FARGO, N.D., March 3, 2010 – Dave Senftner has joined Wallwork as the new Full Maintenance Lease Manager and will oversee its rental fleet of six trucks. He is originally from West Fargo, ND and resides in Fargo, ND. He started working in the transportation industry in 1997 and spent the last 11 years prior to joining Wallwork Truck Center working as a dispatcher and freight broker in addition to managing maintenance on a local fleet. Dave attended North Dakota State College of Science in Wahpeton, ND where he was awarded a scholarship to attend the Motorcycle Institute in Phoenix, AZ.

Mike Lausch, Wallwork Truck Center's General Manager in Fargo, cites Senftner's experience in the transportation industry as key to helping provide solutions for the rental and full maintenance lease needs of Wallwork's customers. "With Dave's experience in our customers' business, he is equipped to provide real value to those clients who need a truck without the worries of maintenance or the long-term commitment, in the case of rentals."

Dave's office is located in the Wallwork Truck Center at 900 35th Street Northwest in Fargo. Wallwork is a member of NationaLease which provides full service leases on trucks and has a fleet of late model daycab and sleeper rental trucks. Hours of operation are Monday through Friday from 7:30AM to 6:00PM and Saturday 9:00AM-12:00PM.
