Construction Bulletin to Re-Launch July 2010

MB Media LLC is happy to announce the re-launch of Construction Bulletin Magazine (CBM). The re-launch is scheduled for July 2010. CBM continues to serve Minnesota, North Dakota and South Dakota with Advertisement for Bid pages, Bid Opportunity advertising and a regional editorial section.

Construction Bulletin was acquired by MB Media LLC. The new construction publishing group was formed by Tony Mancini and Rick Blesi. Together, Mancini and Blesi have more than 30 years of combined experience with the group's publications and websites.

In addition to CBM, the new construction media group includes the following print and online properties: *Building Design+Construction*, *Custom Builder*, *Construction Equipment*, *Housing Giants*, *Professional Builder*, *Professional Remodeler*, *SpecCheck*, *BDCnetwork.com*, *LogInAndLearn.com*, *VisibleCity.com*, *ConstructionEquipment.com*, and *HousingZone.com*.

"The support from both our reader and advertiser communities has been incredible. Our close and unique relationship with our subscribers will remain paramount to us as we work with the industry on its way to recovery," Tony Mancini, CEO, MB Media said. "The Construction Bulletin has an excellent track record with advertisers, legal advertisers and subscribers and a wealthy history - as it was first published in 1893."

We are pleased to announce two key employees will be making the transition with Construction Bulletin; this includes Rich Thompson, Sales Manager, and Ivy Chang, Editor.
