

# What is the AGC of North Dakota?

- *The only organization in North Dakota representing the interests of the commercial construction industry*
- *A great source of information and service for contractors of all types and size*
- *A group of dedicated staff working to keep profit, safety, efficiency, skill and responsibility an integral part of the construction industry*

## **Principal Objectives**

- Promote skill, integrity and responsibility in the construction industry
- Promote fair and honorable dealings with public and private owners of construction projects and with all segments of the construction industry
- Promote good employees relations and provide the safest working conditions possible on all construction projects
- Promote member involvement in political activities to ensure conditions in the construction industry continue to improve

## **Organizational Structure**

The policies and direction of the Association are determined by a thirteen member Board of Directors, which is elected from the four member categories. Three Directors are elected from the Building Division, Highway Division and Municipal/Heavy Division and four Directors are elected from the four categories of the Associates Division, which include sub-contractors, equipment suppliers, material suppliers and related industries. The AGC of North Dakota is a Chapter of the Associated General Contractors of America, the largest construction organization in the country.

A professional staff implements the policies and programs established by the Board. Our office is located at 422 North Second Street, Bismarck, North Dakota.

## **Who Can Join**

The AGC of North Dakota has four classes of membership:

- **Contractor Members:** General contractors who have engaged in public and/or private sector construction projects for at least two years prior to application
- **Visiting Members:** Same qualifications as the Contractor Members, but are home chapter members in another state.
- **Provisional Members:** A trial membership offered to provide better contact with prospective members. Limited to two years.
- **Associate Members:** Other individuals or firms from industries related to or providing services or supplies to the member general contractors. This group is organized into four categories: sub-contractors, equipment suppliers, material suppliers and related industries.

## **How to Join**

Complete the [Contractor](#) or [Associate](#) Membership Application and return it along with a check for the annual dues to the AGC of North Dakota.
